STEP 2

Once the forms are received and processed, you will be mailed or you can download the following forms from our website (www.brantwood.org):

- Health History
- Prescription Medication Form (if needed)
- Inhaler and/or Epi-Pen Permission Form (if needed)
- Over the Counter Medication Consent Form
- Physical Examination Form
- Summer Food Program Application

All forms must be completed, signed by the doctor where required, and sent to the camp address above.

STEP 3

When all completed forms are received and processed, you will be sent a confirmation letter indicating the session assigned. Your camper is not registered until you receive an enrollment letter.

*** IMPORTANT ***

Applications are considered on a first-come, first-served basis. Campers are accepted into a particular session until that session is full. After a session is full, families have the option of putting their camper on the wait list. Brantwood moves campers off the wait list and into a session only when a space opens up due to an enrolled camper dropping out. There is no guarantee of being placed into a session from the wait list.
