

~ Brantwood Camp Tuition Form ~

Dear Brantwood Parent/Guardian,

The Brantwood Camp registration fee is \$250. Brantwood is committed to keeping our overnight camping experience affordable for each family and offers financial assistance to any family with demonstrated need. No camper has ever been turned away for lack of ability to pay.

We recognize that some of the families served by Brantwood may have the financial means to pay more than the requested \$250. Brantwood asks that families with such means consider an additional tax-deductible payment to assist with subsidizing costs. Please understand that there is no obligation for families to pay additional fees and funds received will not impact a camper's eligibility for this or future summers.

Please select the one box below that is appropriate for your family:
