Voluntary Five Tier Fee Program

For more than a century, Brantwood has been committed to never turning away a camper because of an inability to pay.

Currently, the actual cost of the Brantwood experience for a 15-day term is approximately \$3000 per Camper. For the better part of two decades, the maximum amount charged for each Camper has been a registration fee of \$250. Thanks to donations and endowment, Brantwood has covered more than 90% of true Camper costs each summer.

*Costs are increasing, and realizing that families have different abilities to pay, Brantwood has instituted a **voluntary** five-tier fee program beginning in 2023.*

TIER A – \$300 – The first increase in our historical registration fee in fifteen years. This subsidized rate is available so that as many families as possible have access to the Brantwood experience. Brantwood still covers 90% of the cost. **If you are applying for a Scholarship or Financial Aid of any amount, please select this tier.**

TIER B – \$400 * TIER C – \$500 – Families and Sponsors who can afford to pay a little more will be helping the Camp maintain its fiscal strength moving forward. Brantwood still covers over 80% or more of the cost.

TIER D – \$750 – This begins to more closely account for the costs of camp, especially addressing wear and tear of our 40+ buildings and grounds. Brantwood still covers 75% of the cost.

TIER E – \$1250 – This significant cost-sharing tier means that parents/sponsors are taking on 40 percent of camper cost while Brantwood still covers 60% of the cost.

*This is a **voluntary** process. Please choose the tier that is most suitable for your family. All campers receive the same Brantwood experience regardless of what tier is chosen. Additional financial assistance is available to ensure that everyone has the wonderful opportunity to attend camp. Your choice is **completely confidential** and will not affect your camper's experience or acceptance into the program.*

*As always, Brantwood remains **committed to never turning away a camper because of an inability to pay.***
