

BWC Packing List!

Things to Remember!

Cabins have limited space: please be considerate about the number of items your Camper brings to Brantwood

Brantwood is very rustic: items brought to Camp have a chance to get dirty, broken, and used while living outdoors for two weeks.

Brantwood has a washer & dryer on site for emergency use based on the discretion of the Staff, but offers laundry service once per term

Remember the weather at camp is variable: it can be very hot, sunny, chilly, and it will rain!

Please label all items (with full name not just initials) coming to camp! Items get mixed up in cabins easily or forgotten!
